

Faulkner County Homeschool Athletic Association

Information Sheet

WHAT IS FCHAA?

FCHAA is the Faulkner County Homeschool Athletics Association. The purpose of FCHAA is to develop and oversee the athletic program for homeschoolers in Faulkner County, to facilitate the development of schedules and tournaments, and to provide a means of communication with other homeschool and public/private school athletic associations. FCHAA abides by the guidelines set forth by NCHC (National Christian Homeschool Championships), which is an umbrella athletic group that hosts regional and national tournaments. FCHAA offers competitive sports teams, and these teams compete against other homeschool teams, non-AAA private schools, and AAA public and private schools. Due to the nature of competition, some players get more playing time than others. However, all coaches will do their best to give as much playing time as possible to each player.

WHY DOES IT COST TO PARTICIPATE?

The \$90 membership fee for Volleyball covers facility rental, referee charges, tournament entry fees and miscellaneous fees incurred. Uniforms and travel costs vary based on the age group. The basketball membership fee is \$140 for players 12 and under, and \$240 for players older than 12. Travel costs vary based on the age group. The membership fee for Basketball covers facility rental, referee charges, uniform rental, tournament entry fees and miscellaneous fees incurred. (FYI...FCHAA coaches are volunteers and do not receive compensation for their efforts). There is also a \$10 insurance fee for all sports to cover the player's enrollment in supplemental athletic insurance. A player's enrollment in the supplemental insurance is required in order to play.

WHY SUPPLEMENTAL ATHLETIC INSURANCE?

All players are REQUIRED to be enrolled in the supplemental insurance chosen by FCHAA. This supplemental insurance will provide coverage for injuries that occur while the player is participating in an FCHAA sporting event or during a practice scheduled by the player's coach. This insurance will act as a supplemental policy to the player's primary insurance and will offer 100% coverage up to \$25,000. If the player is not covered by insurance, this policy will become their primary coverage while participating in the above described activities with 100% coverage up to \$25,000.
